He is about 23 years of age, 5 feet 8 or 9 inches high, luffy and well made, has short curled hair, and is frequently subject to have several large pimples in his face. He is reckoned to be a sensible fellow, of an easy agreeable address for a man in his low sphere of life. As he has not been heard of by me since his elopement, I suspect he has had the address to ship himself as a freeman on board some vessel either at Alexandria or Baltimore. Whoever takes him up and secures him in any jail, shall receive from me the above reward, as soon as due information thereof is given to me or to Doctor N. P. Caulin, at Port Tobacco.

## VALUABLE FAMILY MEDICINES.

Just received direct from the Patentees, and FOR SALE BY JAMES KENNEDY, JUN. DRUGGIST;

The following Valuable Medicines:

Dr. Rawson's Anti-Bilious and Stomach Bitters.

## PREPARED BY

THOMAS H. RAWSON, Member of the Connecticut Medical Society.

THESE Bitters have undoubtedly had the most rapid sale of any Patent Medicine ever before discovered, and are justly appreciated for their singular and uncommon virtues for restoring weak and decayed constitutions, and all that train of complicated complaints so common in the spring and fall seasons, such as *intermittent Fevers and Agues, long Autumnal Fevers, Dysenteries, &c.* They are also a very pleasant bitter for common use, and where they are known they have taken the place and superseded the use of all other bitters in public houses as well as in private families.—Price 50 cents a box.

Dr. Lee's (Windham) Billious Pills.

THE great sale and increasing demand for these valuable pills for these twelve years past, bespeak their intrinsic worth. They have proved singularly efficacious in *Billious and Yellow fevers, Jaundice, Head Aches, Dysenteries, Billious Cholera, Colic, Female complaints, &c.*

The very great demand and high esteem in which these pills are held throughout the United States and the West Indies, has induced many to counterfeit them; the purchaser is requested to observe that the name of Samuel Lee, jun. (the patentee) is affixed to each bill of directions, in his own hand writing, or they will not be genuine. Price 50 cents a box.

Dr. Rawson's Itch Ointment.

A certain and safe application for that disagreeable complaint called the ITCH. Price 42 cents a box.

Dr. Rawson's Anti-Bilious Pills, or, Family Physic.

The extraordinary celebrity these pills have gained, the universal demand for them and esteem of which they are held by medical men of the first eminence, are sufficient testimonials of their intrinsic worth. In great colics and sudden attacks of disorders, an early use of these pills often produces the happiest effects, and taken once in eight or ten days in cases of indigestion, headache, dizziness, pains in the stomach and bowels, dysenteries, diarrhoeas, dropsies, &c. and a liberal use of my anti-bilious bitters in the intermediate time has relieved patients almost to a miracle—price 25 cents a box.

Thompson's Aromatic Tooth Paste,

For the scurvy in the teeth and gums, and for whitening and preserving the teeth. It likewise takes off all disagreeable smells from the breath, which generally arises from scorbutic gums and bad teeth. This paste is much in use, and highly esteemed by all those who value the preservation of their teeth, it may be applied at all times with the greatest safety. It is neatly put up in pewter boxes with paper directions. Price 50 cents a box.
